The experienced and knowledgeable Zarwin Baum commercial litigation team is keenly aware of the billing practices of similar departments within other law firms. Our firm is clearly able to provide effective and satisfactory cost-efficient legal services and, also, practical business acumen.

When representing a client, we are:

- Expeditious
- Resourceful
- Meticulous

Clients are assigned to one single experienced attorney thereby avoiding excessive fees for teams of lawyers and related staff. At Zarwin Baum, we offer traditional and alternative fee structures for clients determined on a case-by-case basis.

Our goal ~ To effectively represent a wide range of plaintiffs and defendants in commercial litigation matters at fair and reasonable fees.
